On May 12, 2015, voters approved a \$79.9 million bond for school building upgrades beginning in FY 2015 and running through FY 2021. As part of its commitment to transparency and to public confidence in the use of bond proceeds, the Board of Education approved the creation of a five-person Community Bond Oversight Committee (BOC).

The BOC will meet monthly or as needed for the duration of the Phase I bond implementation. BOC meetings will be open to the public and prior public notice will be given of the time and location of meetings.
